Apprenticeship Program – Initiated by Werner Enterprises and approved by the DOL and VA in April 2006, Werner established the very first driver apprenticeship program in our industry that focuses on the recruitment of veterans.

Operation Freedom Fleet – The Operation Freedom Fleet consists of 5 Military Themed Trucks driven by select professional Werner drivers. The Freedom Fleet mission is to reach out to and honor our veterans and demonstrate Werner's appreciation by attending driver school recruiting events, truck shows, and military appreciation events as well as hauling freight.
