Whether you served our country 15 years ago or 15 days ago, we believe every veteran deserves to work with a team that has your back – and a company that has your future. That’s why we don’t just take pride in our veterans – we take care of them.

In fact, **we’re committed to hiring 1,200 or more veterans by the year 2020.** Nearly 2,000 veterans are already at ease with us, and we’re always looking to grow that number.

We are honored to be an elite member and proud to offer the **GI Bill On-The-Job Training program.**

So if you’re looking for a place to hang your hat, take a closer look at **Averitt**. Whatever branch you’re coming from, whatever knowledge you bring to the table, we can’t wait to put your experience to work, and your mind at ease.
