

**Established:**

1986

**Overview:**

With one of the largest fleets in the nation, the newest technology, and the newest trucks, US Xpress has successfully built a culture of family, safety, and innovation. By joining our team, you have the opportunity to grow your skill set and be a part of the top family-owned and operated business in the transportation industry. We recognize how important you are to keeping our fleet rolling and ensuring we deliver excellence.

By staying true to our core ideals, US Xpress has achieved exponential growth. In fact, we surpassed \$1 billion in annual revenue faster than any truckload carrier in history. In the process, our fleet has grown from those original 48 trucks to 7,000 tractors and 15,500 trailers. And the innovative spirit that first launched US Xpress is now fueled by over 10,000 solutions-minded problem-solvers—including a new generation of Fullers and Quinns. So no matter what new challenges the future may bring, you can count on US.

**Specialties:**

With more than thirty years of transportation leadership and a fleet of 7,000 tractors and 15,500 trailers, US Xpress delivers one of the most comprehensive and diverse sets of transportation service offerings in the industry, including Solo, Team, Dedicated, International, Demand Critical, and Brokerage solutions.
