

CDL Driver and Helpers

Austin, TX

Currently seeking CDL Drivers and Helpers for a family owned company in Austin, TX. The ideal candidate will possess 2 years or equivalent of commercial truck driving experience in the last 3 years.

Responsibilities of the CDL Driver and Helpers

- Performs daily pre- and post-trip inspections. Completes and submits the vehicle condition report at the end of the shift.
- Drives the truck along designated commercial routes to mechanically collect solid waste and take it to the landfill for disposal.
- Opens container enclosures or gates to access cans. As needed, rolls 3-4 yard can on castors into position for dumping, replacing the cans back to its normal location and closing the gates shut.
- Cleans loose trash off of truck and/or ground around truck and container that spills during dumping process to maintain clean customer site and safety along roads and highways.
- Cleans waste from behind the packer blade and truck body on each landfill run. This ensures that equipment operation will continue safely and productively.
- Courteously interacts with customers and/or general public along the route to answer questions or respond to requests. Maintains a professional attitude, avoiding any and all negative conflicts and confrontations with customers and public at large. Notifies supervisor of issues requiring management action immediately.
- Maintains and submits to the dispatcher during debrief a DOT logbook, daily route/productivity sheet, and vehicle condition report (pre-trip/post-trip inspection sheet).
- Able to understand and follow protocol in the event of an accident, property damage and personal injury using Accident/Property Damage/Personal Injury Report forms provided. All such accidents must be reported to the immediate supervisor as soon as possible.

Requirements of the CDL Driver and Helpers

- Class A or B CDL
- 2 year or equivalent commercial truck driving experience in the most recent 36 month period, as verified by a current MVR/driver abstract
- No more than one moving violation or accident,
- No suspensions or revocations due to a moving violation or accident, and
- No DUI (driving under the influence) convictions
- Must demonstrate ability to maneuver truck into and out of minimum clearance spaces, using mirrors to back distances up to approximately 120 feet. Able to use an onboard Tablets GSP to locate service addresses
- Able to follow safe operating practices, including lock out/tag out procedures to ensure truck is inoperative when working in the truck body
- Able to learn and use interpersonal skills relating to good customer service.
- Ability to read, write, and comprehend the reports well enough to accurately complete daily assignments
